KENT COUNTY MAJOR EMPLOYERS – 2009

The information contained in this report was compiled by the Kent Economic Partnership, Inc. by requesting the information from the Personnel Departments of the companies surveyed, first in writing and then by phone. In some instances, our request for updated 2009 information was not answered. We therefore left the 2008 information in the report and added (2008) behind the employment numbers. Every effort has been made to be as complete as possible but no guarantees are being made to its accuracy. SE&O. If you find omissions and/or errors, please give us a call at 302-678-3028. Thanks
